

PITCHVILLA EDUCORE

UNIVERSITY & INDUSTRY PARTNERSHIPS

BUILDING THE NEXT GENERATION OF INDUSTRY-READY TALENT

Industry Integration | Entrepreneurship | Future Skills | Experiential Learning

01 — ABOUT PITCHVILLA

WE HELP UNIVERSITIES BUILD STRONGER INDUSTRY CONNECTIONS.

Pitchvilla is a business strategy, consulting and entrepreneurship platform working with startups, businesses and founders across **strategy, growth, technology, fundraising and venture building**.

We bring this real-world business experience into higher education through **industry-integrated programs, specialised academic pathways, entrepreneurship initiatives and experiential learning**.

Our goal is to help universities create an education ecosystem where students don't just learn concepts — they understand **how those concepts work in the real world**.

OUR UNIVERSITY PARTNERSHIP CAPABILITIES

- Industry-Aligned Program Development
- Curriculum Development
- Specialised Degree & MBA Pathways
- Industry Expert & Visiting Faculty Network
- Entrepreneurship & Venture-Building Programs
- Experiential & Project-Based Learning
- Industry Workshops & Masterclasses
- Career & Employability Initiatives
- Executive & Professional Education
- Startup & Innovation Ecosystem Development

The source document similarly positions its education partner around strategic university partnerships, academic-industry collaboration, industry-focused learning and curriculum development.

02 — THE OPPORTUNITY

UNIVERSITIES DON'T NEED MORE COURSES.

THEY NEED STRONGER CONNECTIONS TO THE WORLD THEIR STUDENTS ARE ENTERING.

Today's students need more than a degree.

They need:

INDUSTRY EXPOSURE

Understanding how businesses actually operate.

PRACTICAL SKILLS

Applying knowledge to real situations.

EXPERT ACCESS

Learning from founders, CXOs and industry professionals.

TECHNOLOGY FLUENCY

Understanding AI, automation and modern business tools.

ENTREPRENEURIAL THINKING

Learning how ideas become businesses.

CAREER READINESS

Developing the ability to perform, communicate and adapt.

PITCHVILLA BUILDS THE BRIDGE.

03 — WHAT PITCHVILLA BRINGS TO YOUR UNIVERSITY

YOUR UNIVERSITY + OUR INDUSTRY ECOSYSTEM

Pitchvilla works as an extension of the university's academic ecosystem.

UNIVERSITY BRINGS

Academic Foundation

Degree framework, academic governance and institutional infrastructure.

Student Community

Admissions, student engagement and campus ecosystem.

Academic Faculty

Core academic delivery and university-led learning.

PITCHVILLA BRINGS

Industry Curriculum

Programs designed around contemporary business requirements.

Industry Experts

Founders, CXOs, consultants and domain specialists.

Live Business Exposure

Projects, case studies, workshops and real-world challenges.

Entrepreneurship Ecosystem

Startup exposure, founder interactions and venture-building opportunities.

Technology & Tools

Digital learning, AI tools and modern business platforms.

Industry Network

Connections with businesses, professionals and the wider startup ecosystem.

04 — THE PITCHVILLA UNIVERSITY ADVANTAGE

TURN YOUR UNIVERSITY INTO A STRONGER INDUSTRY ECOSYSTEM.

A Pitchvilla partnership can help universities build:

01 — INDUSTRY-ALIGNED PROGRAMS

Specialised programs connected to evolving business and technology requirements.

02 — PRACTICAL LEARNING

Move beyond classroom theory through projects, simulations, workshops and live business challenges.

03 — STRONGER INDUSTRY CONNECT

Bring founders, CXOs, experts and businesses into the student ecosystem.

04 — ENTREPRENEURSHIP CULTURE

Create structured pathways for students interested in entrepreneurship and venture building.

05 — FUTURE-SKILLS DEVELOPMENT

Build capabilities around AI, automation, digital business, marketing, product and analytics.

06 — CAREER READINESS

Help students develop professional skills and understand the expectations of modern workplaces.

05 — OUR PROGRAM PORTFOLIO

INDUSTRY-ALIGNED PROGRAMS FOR THE MODERN BUSINESS WORLD

Pitchvilla develops specialised programs across five strategic domains.

01 — ENTREPRENEURSHIP & VENTURE BUILDING

- MBA in Entrepreneurship & Venture Building
- MBA in Startup Management
- MBA in Innovation & Design Thinking

02 — MARKETING, BRAND & GROWTH

- MBA in Digital Marketing
- MBA in Brand Management
- MBA in Marketing & Growth Strategies

03 — AI, TECHNOLOGY & ANALYTICS

- MBA in AI & Automation
- MBA in Business Analytics
- MBA in Digital Transformation

04 — PRODUCT & TECHNOLOGY MANAGEMENT

- MBA in Product Management
- MBA in Technology Management

05 — PROJECT & OPERATIONS MANAGEMENT

- MBA in Project Management
- MBA in Operations & Supply Chain Management
- MBA in Business Process Management

Programs can be structured in collaboration with the university according to its academic framework, approvals and applicable requirements.

06 — OUR FLAGSHIP DOMAIN

ENTREPRENEURSHIP & VENTURE BUILDING

FROM STUDENT TO FOUNDER.

Pitchvillla's entrepreneurship proposition is designed to take students beyond theoretical entrepreneurship.

IDEA → VALIDATE → BUILD → LAUNCH → GROW

Students can experience:

Opportunity Identification

Finding problems worth solving.

Design Thinking

Understanding customers and designing solutions.

Business Model Development

Turning an idea into a viable business model.

Market Validation

Testing assumptions with real customers.

Sales & Marketing

Learning how businesses acquire customers.

Startup Finance

Understanding unit economics, cash flow and fundraising.

Technology & AI

Using technology to build and scale modern businesses.

Venture Building

Working on a real business idea or business challenge.

THE OBJECTIVE

Not every student needs to become a founder.

But every student can learn to **think like a builder**.

07 — HOW WE TRANSFORM LEARNING

FROM CLASSROOM TO REAL WORLD

LEARN

Industry-aligned concepts and frameworks.

EXPERIENCE

Workshops, experts and real-world case studies.

APPLY

Live projects and business challenges.

BUILD

Students create solutions, products, campaigns or ventures.

PRESENT

Pitch, defend and communicate their work.

GROW

Develop the skills, confidence and network to enter the next stage.

LEARNING BECOMES EXPERIENCE.

EXPERIENCE BECOMES CAPABILITY.

08 — THE PITCHVILLA ECOSYSTEM

PARTNERSHIP THAT GOES BEYOND THE CLASSROOM

A university partnership with Pitchvilla can connect students with the broader Pitchvilla ecosystem.

PITCHVILLA FORGE

Entrepreneurship & Venture Building

PITCHVILLA CONSULTING

Business Strategy & Growth

PITCHVILLA TECHNOLOGY

Technology & Digital Solutions

PITCHVILLA FUNDING

Investor Readiness & Funding Ecosystem

PITCHVILLA EVENTS

Founder & Industry Events

PITCHVILLA ACADEMY

Digital & Hybrid Learning

This creates a potential pathway:

LEARN → CONNECT → BUILD → LAUNCH → SCALE

09 — OUR PARTNERSHIP MODELS

FLEXIBLE COLLABORATION. BUILT AROUND THE UNIVERSITY.

01 — KNOWLEDGE PARTNER

Pitchvilla supports:

- Curriculum development
 - Industry content
 - Expert sessions

05 — EXECUTIVE EDUCATION PARTNER

Develop programs for:

- Working professionals
 - Entrepreneurs
 - Business owners
 - Family-business successors
 - Corporate teams
-

10 — THE OUTCOME

WHAT THE UNIVERSITY BUILDS

STRONGER PROGRAMS

Industry-aligned and differentiated offerings.

STRONGER STUDENT EXPERIENCE

More practical exposure beyond conventional classroom learning.

STRONGER INDUSTRY CONNECT

Access to founders, experts and businesses.

STRONGER ENTREPRENEURSHIP CULTURE

A structured environment for students interested in building businesses.

STRONGER FUTURE-SKILLS POSITIONING

Programs around AI, digital business, marketing, product and emerging capabilities.

STRONGER UNIVERSITY VALUE PROPOSITION

Programs designed around what students and the market increasingly expect from higher education.

11 — THE PITCHVILLA PROMISE

WE DON'T REPLACE THE UNIVERSITY.

WE EXTEND ITS REACH INTO INDUSTRY.

The university brings:

Academic Excellence

Pitchvilla brings:

Industry Experience

Together:

ACADEMIA × INDUSTRY × ENTREPRENEURSHIP

A MORE PRACTICAL EDUCATION ECOSYSTEM.

12 — LET'S BUILD THE UNIVERSITY OF THE FUTURE

THE FUTURE OF EDUCATION IS NOT JUST ABOUT WHAT STUDENTS KNOW.

IT IS ABOUT WHAT THEY CAN DO WITH WHAT THEY KNOW.

Pitchvilla works with universities to design programs that connect:

**EDUCATION
INDUSTRY
TECHNOLOGY
ENTREPRENEURSHIP**

PITCHVILLA

BUILDING THE BRIDGE BETWEEN ACADEMIA AND THE REAL WORLD.
